

Chairman's Introduction

Managing **BROWNFIELD** Project Requirements

Ian Alexander
RESG
12th October 2010,
BCS, London

Why Brownfield?

Plan

- Ian Gallagher (Altran Praxis)
Brownfield Systems Engineering
- Phil Cantor (Smartstream)
Managing Brownfield Financial Software
- **Discussion**
facilitated by Ian Alexander and Ljerka Beus-Dukic
- **Event Report, ongoing discussion, recommendations**
on RESG Website & RQ Newsletter

Discussion

1. How does Brownfield challenge vary by industry?
2. How should Brownfield RE be performed?
3. What to do in RE education, training, standards, resources, RESG Website, RQ, ... to support Brownfield better?
